SIGN UP!

Workshops are limited to 20 students so advance sign up is encouraged. Go to www.library.elac.edu/enroll to save your spot today.

Plan to arrive on time and participate for the full hour to receive attendance confirmation.

LEARN!

Cite Right: Learn the basics of plagiarism. Practice creating MLA citations for a Works Cited page.

Integrating Sources: Learn the differences between popular and scholarly sources and their research uses. Practice paraphrasing, using signal phrases, and in-text citations.

Intro to Databases: Learn the basics of databases and practice using keyword and Boolean searches to find resources in our library databases.

Google Tips & Tricks: Go beyond the search bar. Learn how to find copyright-free images, online books, and scholarly materials using various Google tools.

Website Investigator: Develop and apply criteria for evaluating open web sources. Practice finding credible websites through Google.
