Workshops are 1 hour and limited to 20 students.

Cite Right
Learn the basics of plagiarism. Practice creating MLA citations for a Works Cited page.

Integrating Sources
Learn the differences between popular and scholarly sources and their research uses. Practice paraphrasing, using signal phrases, and in-text citations.

Find Books & Articles
Use the library’s OneSearch tool to find books, ebooks, and articles for academic research.

Google Tips & Tricks
Go beyond the search bar. Learn how to find copyright-free images, online books, and scholarly materials using various Google tools.

Website Investigator
Develop and apply criteria for evaluating open web sources. Practice finding credible websites through Google.
